

## **WESTSIDE SPORTING GROUNDS**

Westside is a private sporting clays shooting club located on 167 beautifully wooded acres north of Katy, Texas. Westside offers its members a fun and challenging 10-13 station sporting clays course, a 5-stand layout, an Automatic Ball Trap layout and ZZ ring.

Creating an inviting ambiance is very important at Westside. We offer the opportunity to slow down, relax and spend some time in the country. Our course is set among native oak trees with three 40-foot towers and a 126-foot tall tower. We encourage members to try targets from different angles and distances to have target presentations to please everyone, from beginners to expert shooters.

Westside also has a party barn and clubhouse as well as shade trees to sit and relax with friends who enjoy the same shotgunning pastime. It's a nice place to bring the family. Sporting clays is enjoyable to all ages and women as well as men. Instructors are available for beginners or anyone wanting to improve.
